## Bin Laden Guilty or Innocent for 9/11? FBI lacks evidence!

Deepak Sarkar, [www.kolki.com](http://www.kolki.com)

If we believe in innocent till proven guilty, then we must consider evidence against Bin Laden which the Taliban wanted to have before handing over Bin Laden.

Although then CIA director claimed moments after the 2<sup>nd</sup> airliner crashed WTC south tower "*its Bin Laden's finger prints all over*" FBI till date has no evidence to connect Bin Laden to 9/11!

• To date<sup>1</sup> - The FBI's *Most Wanted List* does not mention that Osama bin Laden is wanted for 9/11 because the FBI has "no hard evidence" connecting him with the attacks. Yet, Afghanistan and Iraq have been illegally invaded and destroyed - killing and displacing millions, Islam demonized, and world air travellers being terrorized and humiliated with expensive security systems that mainly enriching the Terrorism Industry and Private Mercenaries funded by the Defense Industry profiteers who in turn breeding and guarding the real felons disabling/demeaning the Criminal Justice System and War Crime Tribunals.

### ***FBI says, "No hard evidence connecting Bin Laden to 9/11"***

"On June 5, 2006, the Muckraker Report contacted the FBI Headquarters, (202) 324-3000, to learn why Bin Laden's Most Wanted poster did not indicate that Usama was also wanted in connection with 9/11. The Muckraker Report spoke with Rex Tomb, Chief of Investigative Publicity for the FBI. When asked why there is no mention of 9/11 on Bin Laden's Most Wanted web page, Tomb said, "*The reason why 9/11 is not mentioned on Usama Bin Laden's Most Wanted page is because the FBI has no hard evidence connecting Bin Laden to 9/11*". Surprised by the ease in which this FBI spokesman made such an astonishing statement, I asked, "*How this was possible?*" Tomb continued, "*Bin Laden has not been formally charged in connection to 9/11.*" I asked, "*How does that work?*" Tomb continued, "*The FBI gathers evidence. Once evidence is gathered, it is*

*turned over to the Department of Justice. The Department of Justice than decides whether it has enough evidence to present to a federal grand jury. In the case of the 1998 United States Embassies being bombed, Bin Laden has been formally indicted and charged by a grand jury. He has not been formally indicted and charged in connection with 9/11 because the FBI has no hard evidence connected Bin Laden to 9/11.” - Muckraker Report (06/06/06)*

**Here is an excerpt from an interview with Osama bin Laden that was published in a Karachi-based Pakistani daily newspaper, Ummat<sup>2</sup>, on September 28, 2001**

*"I have already said that I am not involved in the 11 September attacks in the United States. As a Muslim, I try my best to avoid telling a lie. I had no knowledge of these attacks, nor do I consider the killing of innocent women, children and other humans as an appreciable act. Islam strictly forbids causing harm to innocent women, children and other people. Such a practice is forbidden even in the course of a battle. It is the United States, which is perpetrating every maltreatment on women, children and common people . . ."*

**The US State Department issued the annual report on terrorism in April 2001. However, as CNN described it, “Unlike last year’s report, bin Laden’s al-Qaeda organization is mentioned, but the 2001 report does not contain a photograph of bin Laden or a lengthy description of him and the group.” [CNN, 4/30/2001]**

**At the new Bush administration’s first Deputy Secretary-level meeting on terrorism [Time, 8/4/2002] Deputy Defense Secretary Paul Wolfowitz said the focus on al-Qaeda was wrong. He stated, “I just don’t understand why we are beginning by talking about this one man bin Laden,” and “Who cares about a little terrorist in Afghanistan?” [Clarke, 2004, pp. 30, 231; Newsweek, 3/22/2004]**

**In July 2001, shortly after a pivotal al-Qaeda warning given by the CIA to top officials [JULY 10, 2001 HistoryCommons.org], Undersecretary of Defense for Intelligence Steve Cambone expressed doubts. He spoke to CIA Director George Tenet, and, as Tenet later recalled, “he asked if I had considered the possibility that al-Qaeda threats were just a grand deception, a clever ploy to tie up our resources and expend our energies on a phantom enemy that lacked both the power and the will to carry the battle to us.” Tenet claimed he replied, “No,**

*this is not a deception, and, no, I do not need a second opinion.... We are going to get hit. It's only a matter of time."* [TENET, 2007, PP. 154]

Thus it seems that then CIA Director George Tenet wanted the 'deception' to be 'the reality' on 9/11 advancing Neo-conian ideology of World Supremacy at the cost of a '[New Pearl Harbour](#)'! It would be obvious later on reading '[What is Al-Qaeda](#)' that Irrespective of the Origin Al-Qaeda<sup>3</sup> became covert wing of US/NATO/Israeli Intelligence using private mercenaries like Black Water as well as [Guantanamo Bay](#) like CIA/Military administered secret cells around the globe!

Every time the Airport securities ask us to remove shoes, confiscate intimate essential personal belongings including toothpaste, water, and feeding bottle; treat us like animals in the ropeways making travelling often humiliating & strenuous; only to hide the possibilities of remote hijacking by covert military intelligence technology, rather popular [US-Israeli Flight Termination Methodologies](#)! All modern jets, ships, ferries which are equipped with GPS guiding systems are susceptible to remote control hijacking, maneuvering, and termination without trivial traceability - for political, economical and evangelical gains!
